To Foreign Patients wishing to Visit the University of the Ryukyus Hospital

Our hospital asks all foreign patients who wish to receive medical examinations and treatments at the University of the Ryukyus Hospital to confirm the following items. We ask for your understanding and cooperation regarding the procedures at our hospital. If you have any questions or concerns, please feel free to ask.

☐For foreign patients who do not have valid public health insurance in Japan, the fee will be calculated at 20 yen per point (excluding tax).
　＊Foreign patients are required to present their valid resident card or passport.
☐Foreign patients who will visit Japan for the purpose of receiving medical treatments in Japan and wish to receive treatments at our hospital must obtain a Medical Stay Visa.
　＊Foreign patients who are in Japan on a temporary visitor visa and need to be hospitalized in a Japanese hospital for treatments of illness or injury, and if the period of treatments including hospitalization exceeds 90 days, they will need to change their visa status to a Medical Stay Visa.
　＊Please refer to the below website.

☐A cosigner is required when the patient is hospitalized.
☐Please note that the estimated amount may vary depending on the treatments details and treatments period.
☐The treatments fee is to be paid during your stay in Okinawa.
☐The patient is responsible for payment of the treatments fee. If you wish to claim from an insurance company, you must do so on your own.
☐In case of unpaid bills, the Ministry of Health, Labor and Welfare (MHLW) will be notified by this hospital following the national policy. Please note that the information will then be shared with the Immigration Control and Refugee Recognition Agency, and the subsequent immigration inspections may be made stricter (see attached sheet).
